Dear

On behalf of the International Society for Magnetic Resonance in Medicine (ISMRM), I invite you to attend the ISMRM & ISMRT Annual Meeting & Exhibition at the Vancouver Convention Centre in Vancouver, BC, Canada, occurring 08-13 May 2027.

The ISMRM & ISMRT Annual Meeting & Exhibition will build on its established position as the premier event in its field and its unique position in providing challenging state-of-the-art programs for clinical and basic scientists. Over 5,500 biochemists, biophysicists, physicists, engineers, physiologists, radiologists, neuroradiologists, cardiologists, internists, psychiatrists, neurologists, technologists, manufacturers, and others working in the field of magnetic resonance will participate in this meeting. Attendance at these meetings provides valuable peer association and information that is essential to keep current in the field.

During your stay in Vancouver, you will not be reimbursed by ISMRM nor can you be engaged in any employment. You will be responsible for your travel expenses, including airfare, ground transportation, hotel, meals, and travel insurance. This letter serves only as an invitation to attend the meeting and as an additional document to aid in the visa application process.

Please note that the local contact for the 2027 Annual Meeting will be myself:
