WELCOME MESSAGE

Dear Delegates,

On behalf of ISMRM India Chapter, Indian Institute of Technology Hyderabad, and the Center for Cellular and Molecular Biology, Hyderabad is organizing **“The 11th Annual Scientific Meeting of the Indian Chapter of the Society of Magnetic Resonance in Medicine”** from **27th February to 1st March, 2025** .

The conference will be held at the Convention Center of the **Indian Institute of Technology Hyderabad**. 250 to 300 delegates including senior faculty and clinician scientists from Asia Pacific region and USA as well as Europe. Plenary talks will cover our main theme of *‘MR Updates on Acquisition, Recon, Analysis, AI & Beyond’*. The objective is to impart knowledge on the recent advances in the fascinating field of Magnetic Resonance to scientists, doctors, and biomedical researchers.

In addition to leading NMR and MRI scientists from India, we are expecting about 30 leading NMR and MRI experts from Korea, Japan, China, USA, UK, and other countries to deliver invited talks. The conference would cover all topics of magnetic resonance, its developments and application to biology, chemistry, material sciences, MRI and in-vivo MR spectroscopy, including pre-clinical research. Additionally, the event shall provide ample opportunity for networking with peers, and leading national and international faculty and much more.

We urge you to register and actively participate in this academic meeting. The organizing team promises an excellent scientific programme comprising various lectures and panel discussions.

Local Organizing Committee

ISMRM Indian Chapter 2025, Hyderabad, India

ORGANIZING COMMITTEE

Patrons

Murty, B. S.
Director, IIT Hyderabad

Nandicoori, Vinay K
Director, CCMB, Hyd.

Local Organizing Committee

- Neelavalli, Jaladhar (Convener)
- Patel, Anant Bahadur (Co-Convener)
- Ganapathy, Nagarajan (Secretary)

Chapter Executive Committee

- Kumaran, S. Senthil (President)
- Thomas, Bejoy (Vice President)
- Mehndiratta, Amit (Secretary)
- Mariappan, Yogesh K.
(Treasurer)
- Dwivedi, Durgesh K. (Joint Secretary)
- Mahajan, Harsh
- Bhat, Priyanka
- Chatterjee, Sudhanya
- Gulani, Vikas
- Thomas, Albert

REGISTRATION DETAILS

- Early Bird Registration deadline: **31st Jan, 2025**
- Registration for delegates from outside India: **31st Jan, 2025**
- Option of on-campus stay are provided along with the registration
- Additional ₹2000/ \$50 (+ GST) will be applicable for **non-members*** of Indian Chapter of ISMRM/ASMRM Chapters (₹1000 + GST for students and postdocs).

Registration Fee for Delegates

Delegates	Registration	Registration and Accommodation @IITH for 3 days	Registration and Accommodation @ IITH for 4 days
Student and Post-doctoral fellows**	₹ 3000	₹ 5000	₹ 6000
Academic**	₹ 5000	₹ 12500	₹ 15000
Industry**	₹ 7000	₹ 19000	₹ 23000
Academic (Foreign Institutions) (inclusive of all taxes)	\$ 100	\$ 250	\$ 300
Industry (Foreign Institutions) (inclusive of taxes)	\$ 150	\$ 300	\$ 350

**Additional GST of 18% will be applicable

Topics/ Theme Areas

- Novel techniques in MR acquisition and reconstruction
- Low Field MRI
- Ultra-High Field MRI
- Multiparametric MRI
- Quantitative MRI
- AI in MR Imaging
- MR Based biomarkers
- NMR in Biomedical Research
- Advances in in-vivo Spectroscopy
- Radiomics
- MR in Theragnostics
- Multimodality Research
- Other topics in MRI

*To become a member, please fill out the membership form [here](#).

**Venue: Convention Center
Indian Institute of Technology, Hyderabad**

ABSTRACT SUBMISSION

Important Dates

- Opening of Abstract Submission: **1st December, 2024**
- Last date for Abstract Submission: **31st January, 2025**
- Announcing of Abstract Selection results: **7th February, 2025**

Abstract Submission Guidelines

ABSTRACT STRUCTURE

Body of Abstract in 5 sections to be limited by 800 words and is to be structured with the following:

- **Title** – Upto 125 Characters.
- **Name of Author / Affiliations** -
- **Introduction** – “What was the objective of the study / research or what was the problem statement?”
- **Methods** – “How was the study performed to evaluate the problem statement?”
- **Results** – “Report the key data, analysis and findings with figures and graphs.”
- **Discussion** – “Interpretation of study findings, novelty and comparison with literature.”
- **Conclusion** – “What is the take home message and clinical relevance.”

RULES AND REGULATIONS

- The Abstract should be in IEEE format (e.g. [1] or [1-5]).
- Abstract should not exceed more than one page in PDF, including text, figures and tables.
- Max 5 (Tables + Figures) are allowed.
- Text font should 8-12 in Times Roman.
- *Adherence to the above guidelines is mandatory for your submission to be considered.
